

**International Atomic Energy Agency IAEA**

## **Junior Professional Officer Programme (JPO)**

### **Terms of Reference Chiffre Nr. 2022-2-52**

#### **Position**

**Position Title:** JPO Associate HR Officer

**Organization:** International Atomic Energy Agency IAEA

**Organizational Unit:** HR Services Section (HSS), Division of Human Resources Department of Management

**Duty Station:** Vienna, Austria

**Duration of Assignment:** 2 years with possible extension for another year. The extension of appointment is subject to yearly review concerning priorities, availability of funds, and satisfactory performance.

**Please note that for participants of the JPO-Programme two years work experience are mandatory!** Relevant work experience can be counted. In order to assess the eligibility of the candidates, we review the relevant experience acquired after obtaining the first university degree (usually bachelor's degree).

#### **Job Description**

##### **Organization Settings**

The Division of Human Resources (MTHR), within the Department of Management, plans, acquires and manages human resources to effectively implement the IAEA programmes. It thus delivers the full spectrum of human resource services, including HR organizational development and planning, talent acquisition and development, performance management, and administration of compensation and benefits. The Division serves a multicultural workforce of approximately 2300 people from diverse scientific, technical, managerial and professional disciplines.

The HR Service Section (HSS) provides the Agency's staff and personnel with HR services and advice in the areas of job classification, policy, administration of benefits and entitlements, administration of posts and contracts, and on-boarding of staff.

##### **Main Purpose**

Under the overall guidance of the HR Policy Specialist, the Associate HR Officer (Policy) contributes to the development of HR policies and procedures, supports the team in the

design of standard operation procedures and other HR documents and participates in HR projects.

## **Role**

The Associate HR Officer (Policy) is an analyst, researching policies and best practices, collecting and analysing information on a variety of topics related to Human Resources and contributing to various HR initiatives.

## **Partnership**

The Associate HR Officer (Policy) establishes and maintains relationships with staff within MTHR and other relevant stakeholders throughout the Agency and interacts with colleagues in other International Organizations on a wide range of HR matters.

## **Functions / Key results Expected**

- Assist the HR Policy Specialist in developing new and revised HR policies and procedures in collaboration with other practice experts within MTHR and relevant stakeholders.
- Conduct background research on HR matters and prepare policy opinions, briefs and reports considering public and private sector best practices, other international organizations policies and practices, United Nations General Assembly and International Civil Service Commission decisions and reports.
- Support the HR Policy Specialist in providing interpretation and guidance on the application of the Agency's Staff Regulations, Rules, policies and guidelines.
- Assist in knowledge management initiatives to ensure the effective capture, retention, and dissemination of HR information and communications.
- Participate in various HR projects by providing analytical support, preparing documents and reports, consolidating feedback from subject matter experts and suggesting improvements on related issues.

## **Competencies and Expertise**

### **Core Competencies**

#### **1. Competence: Communication**

Occupational Role: Individual Contributor

Behavioural Indicator: Communicates orally and in writing in a clear, concise and impartial manner. Takes time to listen and understand the perspectives of others and proposes solutions.
